Committed to building a better world since 1913

Ecole Pratique de Service Social is one of the oldest schools of Social Work in France. Our alumni have distinguished themselves for the past century by their significant contributions to Social Work in France and in the world.
Welcome to our 4th International Summer School of Social Work!

Our 4-week summer program is packed with learning and cultural activities so you can make the most of your academic experience in Paris and have a good time too! Our program blends just the right amount of formal learning, professional visits, and much more in a very international environment.

What is new for this upcoming session? A streamlined academic schedule based on previous student experience, new on-line digital courses, French classes and innovative social impact projects. All for the same price! Studying social work just keeps on getting better all the time!

Olivier Huet
Director of Ecole Pratique de Service Social

The Paris Summer School of Social Work is the best program for study-abroad. It is excellent academically, and the combination of academic classroom time, field visits, and field placements provide the most comprehensive and well-rounded learning about social work in France. I am extremely satisfied and I believe my students are happy and satisfied as well. I look forward to bringing many more students in the future.

Professor Delavega – Associate Director of the Benjamin L. Hooks Institute for Social Change, University of Memphis, USA.

The summer school has given me a deeper understanding, and perspective on the issues that marginalised groups confront on a daily basis in France. It has allowed me to compare my own practice, and understanding of issues in the UK, to those that social workers have to work with in France. Tim - United Kingdom

I loved the opportunity to go in and visit the agencies, I felt that they were just the right length of time to get a good grasp on the provided services and agency mandates, while also getting to observe and take in the work being done. Everyone that met with us was wonderful and friendly and so genuinely passionate about their work and curious to hear from us!

Thanks to the Paris Summer School I was able to learn about the innovative social work that is being done in France, as well as engulf myself in the culture. The schedule was intense, but I learned a lot.
